

STAR GATE SEMINARS

Remote Viewing Intensive (Level II)

Registration & Release

(To be completed by participant prior to attending workshop)

Remote Viewing classes provide experiential hands-on training. Through lecture and actual remote viewing sessions participants learn the art and science of remote viewing, a practical skill they can utilize at any time on their own following training.

In consideration of the services provided and/or any benefits that I may acquire, educational or otherwise, arising out of the workshop activities in which I intend to participate, I hereby release and forever discharge the facilitator, Paul Elder, his agents, representatives and employees, and their successors from all claims and demands whatsoever, which I, my heirs, executors, administrators and assigns have, or may have, against them by reason of any injury of any nature whatsoever which I might suffer as a result of such activities. I hereby expressly declare that any such activities are entered into by me voluntarily in an effort to increase my knowledge of the subjects under investigation.

I have read, understand, and agree to the above.
